BUSINESS ANALYST | PERFORMANCE REPORTING | PROCESS IMPROVEMENT

Vancouver, BC | 236-995-9698 | Jiayimao0216@gmail.com | [linkedin.com/in/jiayimao2026](https://www.linkedin.com/in/jiayimao2026)

PROFESSIONAL SUMMARY

UBC Sauder MBAN candidate with experience in performance reporting, KPI framework development, data validation, process documentation, and stakeholder-ready analysis. Skilled in SQL, Python, Excel, Power BI, and PowerPoint for analyzing large multi-source datasets, streamlining recurring reporting, and translating business needs into concise executive presentations and improvement recommendations.

CORE COMPETENCIES

Business & Performance: KPI scorecards, performance reporting, trend and variance analysis, business process improvement, workflow documentation, SOPs, stakeholder communication, executive-ready presentations

Analytics & Technology: Excel (Power Query, PivotTables), SQL, Python (pandas), Power BI, PowerPoint, data cleaning, QA, dashboard support, reporting automation

SELECTED RELEVANT EXPERIENCE

Michelin Corporation | Shanghai, China

Feb 2025 – Apr 2025

Marketing Data Analyst Intern

- Produced recurring KPI reports for 100+ stores across 6 regions by cleaning and aggregating 150K+ rows in Excel and Python, improving reporting turnaround by 30%.
- Resolved 15–20 tracking and data-quality issues weekly and documented data assumptions to support accurate, repeatable performance reporting.
- Queried SQL datasets and summarized 8–10 regional KPIs into executive-ready updates highlighting trends, performance gaps, and recommended actions.

Workforce Analytics Capstone (MBAN) | Vancouver, BC

Dec 2025 – Present

People Analytics Project

- Integrated 3 datasets totaling 120K+ rows into an analysis-ready table; standardized fields and documented assumptions for repeatable analysis.
- Defined 12 workforce KPIs with calculation logic and presented turnover and time-to-fill findings in a stakeholder-ready slide deck and written brief with prioritized recommendations.

Real Estate Media Company | Vancouver, BC

May 2026 – Present

Business & Marketing Analytics

- Analyzed leads, bookings, conversion rates, service utilization, and turnaround time; built KPI scorecards and dashboard-ready summaries for management decision-making.
- Consolidated CRM, booking, and marketing-platform data and translated operational performance trends into recommendations for marketing, creative, and management teams.

Confident Capital, Inc. | Redwood City, CA

May 2024 – Jun 2024

Finance and Accounting Associate

- Standardized recurring reporting and documentation through 4 reusable templates and SOPs, improving process consistency and reducing recurring corrections.
- Reconciled monthly transactions across 6 corporate accounts and prepared concise analytical notes from multi-year financial statements for partner review.

Jiahe Education Consulting Ltd. | Richmond, BC

May 2026 – Present

Marketing Data Analyst Intern

- Built Excel KPI scorecards to monitor inquiries, response rates, engagement, and conversion outcomes, translating results into stakeholder-ready next-step actions.
